Sweet Beulah Land

Squire Parsons/Kingsmen Publishing Company

Verse 1

I'm kind of homesick for a country
To which I've never been before.
No sad goodbyes will there be spoken
For time won't matter anymore.

Chorus

Beulah Land, I'm longing for you
And some day on thee I'll stand
There my home shall be eternal
Beulah Land, sweet Beulah Land

Verse 2

I'm looking now, just across the river
To where my faith, shall end in sight
There's just a few more days to labor.
Then I will take my heavenly flight.

Going Home

*William J. Gaither & Gloria Gaither/William J.
Gaither, Inc.*

Verse 1

Many times in my in childhood
When we've traveled so far
By nightfall how weary I'd grown
Father's arms would slip around me
And gently he'd say
My child, we're going home

Chorus

Going home, I'm going home
There is nothing to hold me here
I've caught a glimpse of that Heavenly land
Praise God, I'm going home

Verse 2

Now the twilight is fading
And the day soon shall end
Lord, I get homesick the farther I roam
But the Father has led me
Each step of the way
And now I'm going home

When I Pass Through the Gates

Robert Batton/Batton Publishing

Verse 1

When I pass through the gates for the first time
And that beautiful city I see
And I look on the face of Jesus
Oh what glory that moment will be

Chorus

All the things of this world will just fade away
And my burdens will never be known
The tears will all dry and we'll never more die
Oh what glory that moment will be

Verse 2

When I kneel at His feet for the first time
And His radiant beauty I see
Then to know I'll be with Him forever
Oh what glory that moment will be

Verse 3

When I stand in my mansion for the first time
With all the loved ones I'm longing to see
Then just to know it's all real, I'm in Heaven
Oh what glory that moment will be

O Happy Day

Edward Rimbault & Philip Doddridge/PD

Verse 1

O happy day, that fixed my choice
On Thee, my Savior and my God!
Well may this glowing heart rejoice,
And tell its raptures all abroad.

Refrain

He taught me how to watch and pray
And live rejoicing every day
O happy day, O happy day,
When Jesus washed my sins away!

Verse 2

'Tis done, the great transaction's done!
I am my Lord's and He is mine;
He drew me, and I followed on;
Charmed to confess the voice divine.

An Old Convention Song

*Jerry Powell & Tim Lovelace/Homeward Bound
Music*

Verse 1

We used to come from miles around,
Have dinner on the ground
Underneath those old shade trees
And sing the old songs in shaped notes,

In four part harmony
Like "He Set Me Free" and "He'll Pilot Me"
and "Anywhere Is Home"
How long has it been
Since you heard an old convention song?

Chorus

I still love to hear those old convention songs
That I heard as a child
As we sing them all day long
Like "I'm Gonna Walk" and "Just A Little Talk"
And "All The Day Long"
How long has it been
Since you heard an old convention song?

Verse 2

Gospel songs today have a lot to say
They lift you up when you're feeling down
Some have a country flavor
Some have a modern sound
They all serve a need in planting seeds
So I know they can't go wrong
But there is none so dear as when I hear
An old convention song

Chorus 2

How long has it been
Since you heard "After A While"
How long since you heard "Give The World A
Smile"
How long since you heard
"I'm Winging My Way Back Home"
How long has it been
Since you heard an old convention song?

Mansion Over the Hilltop

Ira Stamphill/New Spring

Verse 1

I'm satisfied with just a cottage below,
A little silver and a little gold;
But in that city where the ransomed will shine,
I want a gold one that's silver-lined.

Chorus

I've got a mansion just over the hilltop,
In that bright land where we'll never grow old;
And someday yonder we will never more

wander,
But walk the streets that are purest gold.

Verse 2

Don't think me poor or deserted or lonely,
I'm not discouraged, I'm heaven bound;
I'm just a pilgrim in search of a city,
I want a mansion, a harp and a crown.

I Can Tell You the Time

Adger M. Pace/James D. Vaughn Music

Verse 1

I remember the time when in darkness I
wondered
(Farther from home)
On the mountain of sin, I had traveled so long
(I had traveled so long)
Like the prodigal son all my good I had
squandered
(Sadly I roamed)
But the Savior came in and He gave me a song

Chorus

I can tell you now the time (I can tell you the
time)
I can take you to the place (I can show you the
place)
Where the Lord saved me (where the Lord
saved me)
By His wonderful grace (by His wonderful grace)
But I cannot tell you how (for I know not the
how)
And I cannot tell you why (and I know not the
why)
But He'll tell me all about it (He will tell me all
about it)
In the by and by (in the by and by)

Verse 2

I can never forget when He spoke to me gently
(Follow thou me)
In the fountain of life there's a balm for your
soul
(There's a balm for your soul)
So I heeded His voice, He was speaking intently

(Gladly I see)
Through His marvelous grace (through His
marvelous grace)
I am happy and whole (I am happy and whole)

Victory in Jesus

Eugene M. Bartlett/Albert E. Brumley and Sons

Verse 1

I heard an old, old story,
How a Savior came from glory,
How He gave His life on Calvary
To save a wretch like me;
I heard about His groaning,
Of His precious blood's atoning,
Then I repented of my sins
And won the victory.

Chorus

O victory in Jesus,
My Savior, forever.
He sought me and bought me
With His redeeming blood;
He loved me ere I knew Him
And all my love is due Him,
He plunged me to victory,
Beneath the cleansing flood.

To Be Used Of God

Audrey Mieir/Manna Music

Verse 1

I've a yearning in my heart that cannot be
denied
It's a longing that has never yet been satisfied
I want the world to know the one who loves
them so
Like a flame, it's burning deep inside

Chorus

To be used of God, to sing, to speak, to pray
To be used of God, to show someone the way
I long so much to feel the touch of his
consuming fire
To be used of God is my desire

Verse 2

When I think about the shortness of my earthly years
I remember all the wasted days, the wasted tears
I long to preach the word, to those who've never heard
Of the one who can dispel all fear

I Have A Song Inside

Wallace B. Varner/Gospel Quartet Music Company

Verse 1

Every day as on through life I go
There is one I know who loves me so
In Him I can confide
But sometimes though the way
Seems dark and dreary
I know my Lord will keep me cheery
For I have a song inside

Chorus

I'm happy when all day long I sing a song
It makes my burdens seem so light
(Heavy burdens light)
It seems when toils and cares will last for years
I still sing from early morn 'til night
(I sing from morn 'til night)
Some people fret and frown and lie around
And worry hard with all their might
(Worry with all their might)
But Brother, I don't have to worry fret or frown
For I know my Lord is all around
I have a song inside
(Deep down inside)

Verse 2

What's the use of knowing what to do
When your way seems very dark and blue
If you from Jesus hide
Instead just get right down
Upon your knees and pray
Then you'll always be so glad to say
I have a song inside

Since Jesus Passed By

William J. Gaither/William J. Gaither, Inc.

Verse 1

Like a blind man I wandered, so lost and undone
A beggar so helpless, without God or his son
When my Savior in mercy, heard and answered
my cry
Oh what a difference since Jesus passed by

Chorus

Since Jesus passed by, since Jesus passed by
Oh what a difference since Jesus passed by
Oh I can't explain it, and I cannot tell you why
But oh what a difference since Jesus passed by

It's Just Like Heaven

W. Oliver Cooper/James D. Vaughn Music

Verse 1

My soul is living in sunlight and I'm going along
Rejoicing daily I'm singing, always singing a song
Oh yes I'm doing my best to shun the pathway
of wrong
It's just like Heaven for Jesus is near

Chorus

My sins are gone, I'm going on
In the light from Heaven above, the Heaven's
above
The King of Kings is by my side, he will safely
guide
I'll follow him without a fear, there is naught to
fear
Hallelujah, I am happy, going onward
And I know I shall not go astray
Tis sweetest joy to know that wherever I may
go
It's just like Heaven for Jesus is near

Verse 2

My soul is singing the story of my Savior each
day
And I am clinging still closer every step of the
way
I know that Jesus will guide me and from Him I'll
not stray
It's just like Heaven for Jesus is near
